ROOM SET UP:

- You are responsible for room setup. You may arrange tables and chairs to accommodate the format of your meeting. We ask that you return the arrangement to its original setup.
- We will need to know in advance if you plan to use the projector, video conference, or teleconference system. Requests made less than three business days prior to the event may not be accommodated. Video conferencing is available in the Board Room and Training Room and can only be accessed through Conference Facility provided Zoom account.
- Foundation staff will provide the initial setup for AV and video conferencing needs and will be on hand to support technical assistance for only the Foundation’s AV and video conferencing equipment and technology. Foundation staff will not provide technical support for the use of technology or programs (i.e. Power Point) used by the meeting organizer.
ROOM CLEAN UP:

- Please leave the room in orderly condition, placing all trash and recycling in the appropriate receptacles. When a receptacle is full, please remove bag, tie and place next to the trash receptacle. Replace bag.
- Please advise your participants that the Foundation recycles. We recommend an announcement at the start of your meeting advising participants to please place items such as cardboard, paper, drink cans, plastic cups and bottles in the blue recycling bin(s).
- Please do not place partially filled cups, cans and bottles in receptacles. You may use the sink in the break room to empty liquids before throwing away.

OTHER CONDITIONS:

- Organizations eligible to use the conference facility may not make reservations on behalf of other organizations. The organization requesting the use of the conference facility is the responsible organization.
- You are responsible for your own meals and refreshments.
- NO EVENT SUPPORT is provided by the Foundation or Foundation staff, such as copier, fax services, the provision of office supplies or assistance in room setup and/or cleaning.
- Do not ship or mail equipment, materials or supplies to the conference facility in advance of your event, they will not be received or stored.
- You are responsible for informing attendees of your event of the Foundation’s Tobacco-Free Policy and all policies as described in this Conference Facility Usage Policy.
- Please return a copy of your organization’s Certificate of Insurance (Commercial Liability) naming the Foundation for a Healthy Kentucky as the certificate holder along with this signed agreement. Meeting space will be held, but not confirmed, until receipt of the Certificate of Insurance.
- Meeting rooms are adjacent to the offices of a number of professional organizations. It is expected that meetings will be conducted at an appropriate noise level, including the use of microphones and clapping. Please refrain from noise levels – such as loud music, singing, yelling or cheering – as this may disturb those working in adjacent offices.
